### ORDINANCE NO. 63.

AN ORDINANCE REGULATING THE SPEED OF VEHICLES, PROVIDING PENALTIES FOR VIOLATIONS THEREOF, AND REPEALING SECTION 29 OF ORDINANCE NO. 11 AND ALL OTHER ORDINANCES IN CONFLICT HEREWITH.

BE IT ORDAINED BY THE PEOPLE OF THE CITY AND COUNTY OF HONOLULU:

Section 1.—Rates of Speed; Limitations; Presumptions.

No person shall operate, drive or propel, and no owner thereof riding thereon or therein shall cause or permit to be operated, driven or propelled, on any public highway in the City and County of Honolulu, any bicycle, tricycle, velocipede, motorcycle, motor vehicle, motor delivery wagon, or motor vehicle however propelled, or any vehicle drawn by horses or other animals, recklessly or negligently, or at a speed or in a manner so as to endanger, or to be likely to endanger, the life or limb or property of any person.

Provided, that a rate of speed exceeding fifteen (15) miles per hour shall constitute prima facie evidence of rate of speed and manner of driving prohibited as aforesaid and of a violation of the provisions of this section; provided further, that a rate of speed exceeding twenty (20) miles per hour shall constitute a rate of speed and manner of driving prohibited as aforesaid, and in violation of the provisions of this section; provided further, however, that a rate of speed exceeding twenty-five (25) miles per hour on public highways where the same pass through country or outlying sections which are substantially undeveloped and sparsely settled, shall constitute a rate of speed and manner of driving prohibited as aforesaid and in violation of the provisions of this section.

Section 2.—Speed on Turning Corners.—Overtaking or Meeting Street Cars.

In turning a corner of meeting or intersecting public highways, the person operating, driving or propelling any vehicle subject to the provisions of section one (1) of this Ordinance shall not proceed, nor shall the owner of any such vehicle riding thereon or therein, cause or permit the same to proceed at a rate of speed greater than eight (8) miles per hour; and in overtaking or meeting a street passenger car which has been stopped for the purpose of receiving or discharging a passenger or passengers, no such vehicle, as aforesaid, shall cause or approach nearer than eight (8) feet from a running board or nearest part of any street car which has stopped for the purpose of taking on or discharging passengers, nor shall such person proceed at a speed greater than eight (8) miles per hour when passing a car so stopped, subject, however, to any other provisions of the Traffic Ordinance governing stops in speed limits.

Section 3.—Speed on Approaching Bridges, Garage Exits or School Houses.

In passing a garage entrance or exit on the side of the street next the garage, or in passing a school house on school days between the hours of 8 a. m. and 4 p. m., or in approaching a bridge, the person operating, driving or propelling any vehicle, or riding any animal, subject to the regulations of this Ordinance, shall not proceed, nor shall the owner or person in control of such vehicle or animal riding thereon or therein, cause or permit the same to proceed at a rate of speed greater than ten (10) miles per hour.

Section 4.—Application of This Ordinance.—Street Cars and Railways Excepted, When—Exception As to Fully Licensed Physicians, When.

Nothing contained in any of the provisions of this ordinance as to specific rates of speed shall apply to any of the following vehicles, to wit:

(a) Vehicles which run only on rails and tracks, except when expressly included in the regulations.

(b) Vehicles, wagons, trucks and apparatus under the control of the Chief Engineer of the Fire Department, of the Sheriff of the City and County of Honolulu, vehicles of public utility agencies supplying gas and electricity, and ambulances, public or private, while such vehicles are in the actual performance of duty during emergencies.

Duly licensed physicians shall be exempt, in cases of emergency only, upon complying with the conditions of this Ordinance. The vehicle driven by them shall display, in at least two conspicuous places, one in front and one in the rear of such vehicle, the sign of the "Green Cross" in figures of not less than five (5) inches in height and of proportional width painted in conspicuously contrasting colors. From a half hour after sunset to a half hour before sunrise, light shall be reflected upon such signs so that such signs shall be plainly visible. Such exemptions shall not be construed to permit reckless driving at any time, nor to permit driving otherwise than in accordance with this Ordinance, except in case of emergency for the purpose of saving life, limb or property.

Section 5.—Care Required in All Cases.—Speed Limit in Dangerous Places.

No person shall operate or drive any automobile, motorcycle or any other similar vehicle or other vehicle or any riding animal anywhere within the City and County of Honolulu, either within or without the speed limits, at a rate of speed greater than is reasonable and proper, having regard to the width, grade and condition of the highway, the grade of the adjoining declivities or crossings, and the traffic or occupation of the highways by others, or so as to endanger the life, limb or property of others.

curves at sharp declivities, at intersections of highways or crossroads, and wherever the view in the direction in which the vehicle is proceeding shall be obstructed for any reason so that an approaching vehicle or animal may not be plainly seen approaching at such places, the speed shall be reduced to such a rate as will tend to avoid danger of accident from an approaching vehicle hidden by such obstacles; in no case, however, shall the speed exceed fifteen (15) miles an hour.

Section 6.—Speed at Night.

At night, no person shall operate or drive any automobile, motorcycle or other similar vehicle, or any vehicle along any public highway or place at such a rate of speed that such vehicle cannot be brought to a complete stop within the distance ahead that the driver or operator thereof can see an object, the size of an adult person, with the aid of the lights of such vehicle in connection with the light from other sources.

Section 7.—Speed at Entrance or Exit of Garage.

It shall be unlawful for any person to operate or drive or use any vehicle when crossing a sidewalk upon entering or leaving a garage entrance or exit at a rate of speed in excess of four miles an hour.

Section 8.—Speed of Heavy Vehicles.

No traction engine, road engine, hauling engine, trailer, steam roller, automobile truck for passengers or freight, motor or other power vehicle carrying a weight in excess of four tons, including the vehicle, shall be operated upon any public highway at a speed greater than fifteen (15) miles an hour; and no such vehicle carrying a weight in excess of ten tons, including the vehicle, shall be operated upon any such highway at a speed greater than ten (10) miles an hour.

Section 9.—Speed Limits in Honolulu.

The speed limits in Honolulu are hereby declared to be as follows:

On the seaward or makai side by the sea;

On the easterly or Waikiki side by the easterly or Waikiki line of Hackfeld, Alapai and an extension of the easterly line of Alapai Street to the sea;

On the northerly or mauka side by the northerly or mauka line of Luso and School Streets.

On the westerly or Ewa side by a straight line drawn from the intersection of said line of School Street and the westerly or Ewa side of the Aylun Road to the westerly or Ewa side of the Bridge on King Street in Palama, Honolulu, and continued to the sea.

On the Pall Road, between the Government Electric Light Station and the east side of the turn at the Pall gap, and between said gap and the foot of the grade at the last turn thereof where the grove of Kukui trees is now located, near the old trail to Kaliua.

Section 10.—Posting Copies of Regulations.

The Clerk shall cause copies of this Ordinance and any Ordinance amending the same to be printed on cardboard posters, and shall deliver one copy thereof, free of charge, to each person holding a license for a public garage, hackstand or stable, and one copy at each renewal of each license.

Additional copies shall be supplied at the cost thereof, upon demand.

Said posters shall be displayed in some conspicuous place in the office or headquarters of such licensed public garage, hackstand or stable.

Section 11.—Title.

This Ordinance may be designated by the brief title of "Speed Ordinance."

Section 12.—Violations.—Punishment for First, Second, Third and Subsequent Offenses.

Any person who shall operate, drive or propel, and also any owner thereof or person in control of the driving of a vehicle, who shall cause or permit any vehicle subject to the provisions of Section 1 of this Ordinance to be operated, driven or propelled, in violation of any of the provisions of this Ordinance shall be punished, upon conviction for the first offense, by a fine of not less than five (5) dollars nor more than one hundred (100) dollars, or by imprisonment not to exceed fifteen (15) days, or by both; and, upon conviction of a second offense, within one year from the commission of the first offense, shall be punished by a fine of not less than fifty (50) dollars nor more than one hundred (100) dollars, or by imprisonment not to exceed thirty (30) days, or by both; and, upon conviction for the third offense, and for each and every offense subsequent thereto, within one (1) year from the commission of the first offense, shall be punished by a fine of one hundred (100) dollars, or by imprisonment for a term not to exceed sixty (60) days, or by both.

Provided, however, that in construing this section the unit of any one year shall be the basis for determining "first," "second," or "third" offense, the numerical order changing when succeeding convictions occur, and more than one year has elapsed after an original "first," "second," or "third" offense.

The Judge of the Court having jurisdiction of any charge brought under this Ordinance, in addition to the penalty or penalties above set forth, may cancel the certificate of any chauffeur found guilty under this Ordinance.

The Court shall include in such sentence, if any, an extension of such prohibition for a term not exceeding twelve (12) months for the first suspension, and for flagrant cases in the first offense, and for any second or subsequent offense, may include in any sentence judgment of suspension without right of renewal of license.

Section 13.—Ordinances Repealed.

Section 29 of Ordinance No. 11 and all Ordinances and parts of Ordinances in conflict herewith are hereby repealed, it being the intention hereof to have this Ordinance construed in conformity with the Traffic Ordinance, and not in conflict therewith.

Section 14.

## LEPER IS NOT WANTED AT THE MOLOKAI HOME

A cable was sent to Surgeon-general Rupert Blue of the United States Hospital Service this morning. The message was with reference to the matter of allowing the mainland leper, John R. Early, to come to the Molokai settlement. The cable was to the effect that the board of health opposes on general grounds the sending of Early to Molokai.

Professor A. R. Kelier, who is the acting president of the board of health during the absence of Dr. Pratt, got into communication with the members of the board this morning, and it was then decided to send the cable of protest to Dr. Blue. Information was received late yesterday afternoon from the mainland to the effect that a leper might be sent to the federal leprosy hospital at Molokai. A cable was received by the president of the board of health as follows:

"Can you care for leper here? What monthly expense. (Signed) Blue." It was presumed from this that Early is the man referred to as recent telegraphic advice said he had suddenly appeared in Washington.

John R. Early, believed to be the leper in question, was a soldier up till the time that the disease was noticed. He was sent to Diamond Point quarantine station, near Fort Townsend, Washington, two years ago, and escaped from that institution a short time ago. For years his case has been attracting attention, and at one time he was shifted from place to place as the authorities studied his disease. When it was certain that Early was a leper he was put in quarantine. Dr. L. Duncan Bulkley first declared the disease not to be leprosy. Federal doctors at Washington, D. C., declared that Early was a leper.

In 1912 Early resided in Los Angeles, but he slipped away quietly and went to Tacoma with his wife and children. He was discovered there, living in a little fenced-in place he was building for himself at Summit station, on the old Puyallup electric line. He was placed in quarantine and remained there till he escaped the other day.

Early's former wife, who divorced him after his removal to the quarantine station, became much agitated when she learned that her former husband had escaped from the station. She asserted that she was scared that Early would take her three children from her.

Early is stated to have contracted the disease while in the Philippines.

## DAILY REMINDERS

Forty law books for sale at 1719 Liliha St. Phone 2334—advertisement. Round the island in auto \$5.00. Lewis Stables, Phone 2141—advertisement.

Frank Baker, now located at Bishop Street Auto Stand. Phone 3333—advertisement.

You might as well be out of the world as out of style, and you are out of style unless you get into a new suit of the summer variety. The Claron has just opened up a few cases of summer suits and they are all that can be looked for in the line of style and fit.

Jacques Suzanna, a French artist, of Brooklyn, has started with three companions on an exploration trip to the North Pole. He has been with several Arctic exploring parties and has 30 Esquimaux dogs on his estate.

The total eclipse of the sun in August will be used by the British association for the advancement of science as an occasion for studying the propagation of electric waves in connection with wireless telegraphy.

## BY AUTHORITY
